

**Joint Notice Statement:**

At Community Health System, Inc. d/b/a Community Health Services and its affiliates (CHSGa), we are dedicated to your health and well-being. We're also strong advocates for patient privacy. The notices below explain the conditions under which your medical information may be distributed to other organizations, and how you can send your medical records to other doctors or medical facilities. Additionally we wish to share how we gather information through our organization's main website, [www.chs-ga.org](http://www.chs-ga.org), and the websites of our affiliated providers.
