

PHYSICIAN/PROVIDER FORM

New Hires: Labs must be performed within 1 year of your hire date will be accepted. If you are going to use your CHSGa insurance for the visit, you need to make your appointment after the effective date of your insurance, otherwise you will have to pay for the visit out-of-pocket.

As part of the benefits available to your patient through Community Health Services of Georgia's benefits program, all Associates have access to free mental health counseling and services through an Employee Assistance Program (EAP). SupportLinc EAP: Up to 5 face-to-face or telephonic counseling visits per issue. Call 1-888-881-LINC (5462) or www.supportlinc.com (Username: chs).
