

We are using the Physician only network with NovaNet as a supplement. You still are able to use any physician that will accept the insurance.

Visit <http://www.novanetppo.com/default.asp> and hover over “Members” and then select provider search. You may also search by clicking on this link:

Network Coverage with a Different Perspective

NovaNet is a *national preferred provider organization (PPO)* that delivers network coverage with a distinct perspective. They are continually *seeking innovative possibilities and solutions*. The company is not owned by physicians, hospitals, or insurance carriers.

NovaNet and its affiliate partners are a *single source for local, regional, and national PPO access in Health, Physician Only, Workers Compensation and Dental*, continually overcoming individualized market challenges with innovative possibilities and solutions. NovaNet's *entrepreneurial flexibility* allows NovaNet to collaborate with clients and *develop solutions that solve today's issues, and anticipate tomorrow's challenges*.

Provider Search

Search for physicians, hospitals and ancillary services. Be sure to search the network that is listed on the member's ID card.

Nominate a Provider

If a provider is not participating in the NovaNet PPO Network, [nominate them for inclusion in the network!](#) NovaNet will contact the provider to request their participation in the NovaNet PPO Network.

NovaNet thoroughly investigates a provider's credentials and background before certifying them for inclusion in the network.
